

# The Force: A Menace To Your Soul

Don't Wait on Demons Hand and Foot.

Only God can cast Light

Satan's Spawn

*And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit.*

-REVELATION 9:

Millions of people are lining up around city blocks to see a new **Star Wars** movie called "The Phantom Menace". But this so-called 'entertainment' promotes the worship of the 'Force'- a **MENACE TO YOUR ETERNAL SALVATION**.

In these movies, people are taught to look within themselves to find a spirit they call, **The Force**. A foul faced demon puppet, Yodah- who can control people's minds like Beazulbub- is their leader. These "*fan clubs*," "**Jedi Masters**" instruct you in how to cast magic spells. These false idols of new age spirituality are a trap! Everyone knows that Jesus is the only God, and his Force is called **LOVE**. The Force that the Jedi use is the power of **Satan**.

Jacob answered Laban, "I was afraid, because I thought you would take your daughters away from me by the force." -GENESIS 31:31

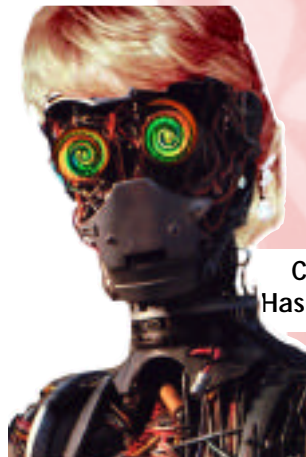

Did you know that by buying Star Wars merchandise, you are bringing a piece of evil home to your children? Why do so many *adults* buy these so-called **toys**? They call them *Collectors Item's* but all these false idols collect is your **soul** for the **Devil!**

Jesus, knowing that they intended to come and make him king by **force**, withdrew again to a mountain by himself. -JOHN 6:15

Newsweek Magazine Weekly reports that Anakine Skywalker was conceived of Virgin Birth. Utter Blasphemy! George Lucas wants you to believe that Anakine Skywalker is **Divine!** Only **God** can impregnate a virgin birth and make **His Son!** How can you watch movies and go to Heaven when the **Anti-Christ** who walks among us controls Hollywood?

And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. -REVELATION 6:8

Thus did the Lord allow us to enter a movie house to see a pre-view screening of the **Phantom Menace**. We were too scared to open our eyes! There was much fighting and kicking with super-human Incubus running on the walls. They would use this **force** to stop bullets in **mid-air!** Even more disturbing was the concept that "machines" control the fabric of the very world we live in- and the real world looks like **Hell**. Remember, **Lucifer is the Deciever** and pulls the wool over your eyes! Don't let him stray you from the path of the Ultimate Force, **Jesus!**
